#### St. Louis Live Stock Market

(Special to the Tribune.)

National Stock Yards, Ill., Dec. 8, 1908—Receipts today 7000 cattle. General market fully steady with yesterday. Best on sale were some steers and heifers mixed sold by us at \$7.25 per cwt. Considering the liberal receipts at all markets, the trade was held up very well this week. Demands have been good, and in our opinion an advance in prices, particularly for good cattle, will follow the first period of reduced supplies.

Hog receipts 20,000. General market 10 to 15c lower than yesterday. Top \$5.70; bulk of all the hogs \$5.35 to \$5.60. Practically all the hogs were sold when the market closed, and a few of the late sales exhibited some strength compared with the early market. Prospects steady to strong remainder of the week.

Sheep receipts 4000. Market steady on best sheep, but very slow on medium and common grades; as a matter of fact the common stuff is not wanted and is almost unsalable even at low prices. Top lambs today \$6.75; top sheep \$4.50. Outlook steady to strong.

National Live Stock Commission Co.

Miss Mable Kirk of High Hill was here Monday.

G. T. Muns has been on the sick list several days the past week.

#### A CORROBORATION

Of Interest To Montgomery City Readers

For months Montgomery City citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Montgomery City residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statement after years had elapsed, if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that stood the test of time. The following statement should carry conviction to the minds of every Montgomery City reader.

W. I. Laird, Montgomery City, Mo., says, "Before I began using Doan's Kidney Pills, which I procured at Crump & Kidwell's Drug Store, I was greatly troubled with my back. My kidneys were also disordered and I suffered from attacks of lumbago. The kidney secretions passed too frequently, contained a sediment and were at times painful. I was much run down and felt miserable when Doan's Kidney Pills were brought to my attention. They afforded me prompt relief and I am now without a sign of my former trouble." (Statement given in June, 1908.)

On Nov. 14, 1908 Mr. Laird confirmed the above statement. He said, "The testimonial I gave two years ago in favor of Doan's Kidney Pills was correct in every detail. I gladly give Doan's Kidney Pills credit for my continued freedom from kidney trouble."

For Sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
